

# 33rd AWMS Annual Conference

8 - 10 December 2020  
Virtual Conference

# Call for Abstracts

# AWMS2020 is coming to you!

The Australasian Wildlife Management Society (AWMS) was established in May 1988, and will be holding its 33rd annual conference on 8-10 December 2020.

The objectives of the Society are:

- To promote the study and application of scientific wildlife management in the Australasian region
- To actively encourage the development, dissemination and adoption of applied scientific research in wildlife management
- To influence policy and management decisions through the provision of clear, explicit and pragmatic advice on options for wildlife management and associated risks

## Given the current situation we'll be holding a virtual conference this year

The conference will be free to all. We welcome the submission of abstracts on any wildlife management research or topic.

## Abstract submissions:

- Abstracts must be submitted by 31 August 2020 and must have a maximum of 250 words.
- Only include the full address and email of the speaker.
- Abstracts must be uploaded via our online Abstract Submission Form.

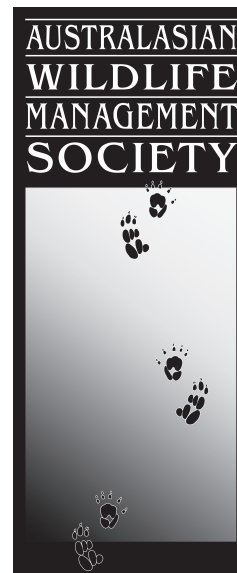

Presentations will have 12 minutes speaking time plus additional time for questions. Speakers will be notified of acceptance by 15 September 2020.

- Abstracts will be reviewed prior to acceptance and may be edited.
- Accepted abstracts will be distributed to all attendees at the conference.
- Students must be enrolled at a recognised university.
